

Children's
of Alabama®

JUST THE FACTS

www.ChildrensAL.org

CHILDREN'S OF ALABAMA IS...

- the only free-standing pediatric hospital in Alabama.
- one of the 10 busiest pediatric hospitals in the nation.
- one of the top 20 employers in Alabama with more than 5,000 employees across the state.
- the only pediatric hospital in the southeastern U.S. to offer paired solid organ transplants.

In 2020, Children's had 567,744 patient visits to our clinics and 12,334 patient admissions.

Children's is a world-class cancer center and treats more than 90 percent of all children diagnosed with cancer and blood disorders in Alabama.

Many Children's subspecialties are consistently ranked in the U.S. News & World Report's Best Children's Hospitals edition.

Children's is a private, not-for-profit hospital and treats all children regardless of their family's ability to pay.

Since the opening of the Russell Building, Children's has added heart, liver and kidney transplant to its services.

CHILDREN'S OF ALABAMA IS HOME TO...

- the busiest pediatric emergency department in the Southeast with more than 48,924 visits in 2020.
- the Alabama Center for Childhood Cancer and Blood Disorders - the largest pediatric cancer center in Alabama - the state's only dedicated pediatric bone marrow transplant facility.
- the only accredited pediatric epilepsy monitoring unit in the nation.
- the only pediatric burn center in Alabama and one of the largest in the Southeast.
- one of the largest pediatric cardiovascular programs in the Southeast.
- one of the largest pediatric rheumatology programs in the nation.
- Alabama's only Level IV NICU in conjunction with UAB's Regional NICU.
- the only pediatric ECMO (heart/lung bypass) program in Alabama.
- the only pediatric kidney dialysis program in the state and one of the largest in the country.
- the pediatric medicine, surgery, research and residency programs for the UAB School of Medicine.
- the only international adoption center to have a partnership with the Chinese government.
- the state's only comprehensive, multidisciplinary cochlear implant program.
- the state's first and only LEED-certified healthcare facility.
- the state's only pediatric cleft and craniofacial center.
- the state's only poison control center.
