

Mayfair Medical Group

Mayfair Medical Group received the highest Patient-Centered Medical Home certification from the National Committee for Quality Assurance (NCQA) in 2017 and continues to maintain this recognition. The NCQA Patient-Centered Medical Home is a model of primary care that combines teamwork and information technology to improve care, improve patients' experience of care and reduce costs.

Thank you for trusting Mayfair Medical Group for your child's medical care.

Mayfair Medical Group provides care for children from birth through college age. Our goal is to make your visits to our office as pleasant and stress-free as possible while we share in your child's care. Our staff is well trained to provide for your child's medical needs, including well and sick visits, immunizations and school forms. If your child needs more specific treatment beyond a general pediatrician, we can refer you to any of the excellent specialists in the Birmingham area.

Services offered:

- Preventive care or well visits, birth through college age
- Standard immunizations
- Same day sick appointments, including weekends
- Sports physicals
- In-house lab

Our physicians are board certified by the American Board of Pediatrics. Each physician uses methods that are based on scientific research (evidence based medicine) along with clinical expertise and evaluation of the patient's needs to prescribe a course of treatment.

PIRC (Psychiatric Intake Response Center) Services—any adult with a mental health question or concern regarding a child or adolescent is encouraged to contact the PIRC at **205.638.7472**.

After hours medical needs.

If you have emergency medical needs when our office is closed, please call the office number, 205-870-1273. Our answering service will take the call and have someone return your call. Often a registered nurse will return your call. If she cannot handle the problem, or if you specifically need to speak with one of the doctors, please ask.

If your child is experiencing a true medical emergency, please call 9-1-1.
