

# SICKLE CELL PAIN CLINIC

Clinic 8, Children's of Alabama

Children's  
of Alabama®

**UAB** MEDICINE.

## To assist patients and families in the management of pain associated with Sickle Cell Disease, our goals are:

- To provide care in a familiar setting
- To decrease the number of hospitalizations
- To get your pain under control more quickly
- To provide non-medicine treatment strategies

## To Make An Appointment:

- You must call or email for appointment availability
- Same day appointments are welcome if available
- Appointments available 8 am—noon, Monday—Friday
- Pain Clinic closes at 4:30 pm
- The Pain Clinic is only available for pain crises
- Fevers, chest pain, shortness of breath must go to the ER

Contact us anytime at 205.638.9285 or  
email [hematology@ChildrensAL.org](mailto:hematology@ChildrensAL.org)
